FROSTGUN Invitational 2014 @ Val d'Isere – exclusive Heliski package for Danish students

(12-14th February 2014 & 26th – 28th February 2014)

ABILITY: 3/5

FITNESS: 3/5

Heli Skiing is the ultimate ski or board experience and the best chance of finding powder. It's a thrilling day starting with anticipation, which quickly turns into excitement and exhilaration thanks to the stunning scenery, our excellent guides, the totally out of resort feeling and the epic terrain available to us. Whatever your preference, our heliski areas have it all – sweeping tree runs, undulating powder fields and exciting couloirs!

We include:

- Instruction on technique and guiding from one of our experienced UIAGM guides.
- Avalanche safety gear (probe, shovel, transceiver)
- 1 epic heliski descent of around 2300 vertical metres
- Go pro head cam training

Exclusive Danish student Price: €480 per person (Full payment taken to secure your place)

Optional extras:

-Extra heliski descent: €220 per person

*ABS pack (€60 per person) and La Rosiere lift pass (€40 per person) may or may not be required depending on route choice.

*Full refund is weather prohibits flying or full helicopter not attained.

*Prices based on full helicopter of 4 people
